

THE SHIP HOTEL

DESBOROUGH HOTEL GROUP

September 1st 2005

Dear Sophie,

I am writing to inform you of the excellent guest feedback we are receiving in regards to the furniture supplied to our new guest bedrooms. We have received numerous compliments about the style and quality of the furniture and fittings installed in our new bedrooms. The rooms have lifted the hotel and will help us towards our goal of securing a four star rating at the end of the building project. I would also like to thank the Curtis Furniture team who came on site and fitted the furniture; they were friendly and efficient and fitted around our needs.

Thanks again for a job well done.
